

# Stoneham Youth Football and Cheerleading

PO Box 80363 Stoneham, MA 02180

To all Stoneham Youth Football members,

I would like to welcome you to the start of the 2010 Football and Cheer season. We hope you are excited by the activity on the field so far and looking forward to a great season.

The successes we achieved last year were not only demonstrated by our championship season with our Cheerleaders and playing in championship Football games, but also by the stunning growth of our membership in the organization. Due to this increase, we have been challenged on many fronts, such as purchasing new uniforms for all teams, increase in coaching staff and other support staff, and registration and documentation for all teams. I would especially like to thank our equipment manager, Mike Wentzell, for all his efforts in providing our players with equipment and new uniforms for this season. I would also like to extend a job well done to our Cheer director, Raymie Parker, and Football director, Chris Yancey, for the efforts in not only recruiting a great staff, but also ensuring all staff were certified in coaching techniques and first aid.

I would like to remind all of our members that success is not only measured in wins or loses, but also in the way an organization demonstrates it's sportsmanship, camaraderie, and respect of other teams. Our organization has been complemented many times about how we handle tough situations and just how professional are teams perform. This can only happen when team members try their hardest, support fellow members, and respect the coaches and referees/judges. I also believe the feeling of belonging to our "Football Family" helps keep everyone focused on ensuring our young members are learning the true value of being a member of a team and the community. We are counting on your continued support to make this season even more successful. There is a great deal of work involved in hosting games, field preparation, fundraising, and administrating for such a large group and any assistance would be greatly appreciated

I would ask that you please review carefully all the documents attached to this letter and take a look at our new website design. We try our best to keep members informed of all the activities that are taking place during the season and the website is really our best tool. All contact lists are current and you will find articles and links that I am sure you would find interesting.

If you have any questions, comments, or suggestions please contact any of our board members. Your input is extremely important to ensure we are meeting or exceeding your expectations as an organization dedicated to the youth of our community.

Now let's get ready to play some Football!

Respectfully,

Jace Arrington  
President, SYFC
